**EnTrust Realty Advisors, LLC, Certified as a Minority Business Enterprise
by the Chicago Minority Business Development Council, Inc.**

Chicago, IL – EnTrust Realty Advisors, LLC, (www.entrustrealty.net) has been certified as a minority business enterprise by the Chicago Minority Business Development Council, Inc. (<http://msdc.adaptone.com/cmbdc/>). James I. Clark III, EnTrust's Managing Principal, announced his firm's certification.

The Chicago Minority Business Development Council, Inc., (CMBDC) is one of the nation's premier organizations for minority business development. For more than 20 years, CMBDC has championed the interests of minority entrepreneurs in the Metropolitan Chicago Area and nationally.

“This important designation is a welcome recognition of EnTrust and our position in the commercial real estate investment services industry,” Clark said. “As one of the few minority-owned commercial real estate investment services firms in the United States, EnTrust is uniquely positioned to assist the public pension funds, endowments, government agencies, hospitals, insurance companies, banks and private investors who are committed to including minority representation among the service providers for their real estate investments.”

EnTrust Realty Advisors, LLC, specializes in transaction services (including the disposition, acquisition and recapitalization of investment real estate) and in

advisory services (including strategic asset management and receivership services) for office, industrial and healthcare properties, nationwide. Founded in 2002, EnTrust has completed over \$800 million in transactions for clients ranging from private investors, to major institutions, investment funds and REITs. It distinguishes itself by dedicating personal care to providing fiduciary quality commercial real estate investment services from the simplest to the most complex transaction.
